

Adrian Richards

Plastic surgical publications

- 1. The risk from radiation exposure during operative screening in hand surgery**
P A Arnstein, **A M Richards**, R Putney.
Journal of hand surgery [Br]. 1993 19930:393-396, 1994.
Also published in the Mosby year Book of Plastic Surgery July 1995
- 2. The use of a toothbrush in the surgical toilet of facial trauma**
P A Arnstein, **A M Richards**.
British Journal of Plastic Surgery 1993: 46(7):627, 1993
- 3. A method improving the comfort of loupes**
P A Arnstein, **A M Richards**
British Journal of Plastic Surgery. 47(3):206, 1994
- 4. The free-fillet flap for reconstruction of the upper extremity free radial forearm flaps for upper limb coverage**
A M Richards, M F Klaassen, N Parkhouse
Plastic and Reconstructive Surgery. 96(2):448-91, 1995
- 5. A simple device for use as a mammastat, scalp or finger tourniquet**
A M Richards, M F Klaassen
British Journal of Plastic Surgery. 48(8):606-7, 1995
- 6. Treatment of tea burns in Asian Children**
A M Richards and P A Arnstein.
Burns. 22(7):580-1, 1996.
- 7. Use of magnetic resonance imaging on a large lipoma of the hand: a case report**
H J Goodman, **A M Richards**, M F Klaassen.
Aust N Z J Surg. 67(7):489-91, 1997
- 8. The use of dermofat grafts in secondary cleft lip surgery**
A M Richards, S Withey, N Waterhouse.
Eur J Plast Surg 20:40-44, 1997
- 9. A new method of treating pre-tibial myxoedema**
A M Richards, P A Arnstein, M F Klaassen, N S B Tanner.
European J Plast Surg 20:150-1, 1997
- 10. Heterotopic ossification after severe burns: A report of three cases and review of the literature"**
A M Richards and M F Klaassen.
Burns 23(1): 64-8, 1997
- 11. Biceps rupture leading to persistent nerve palsy in an anticoagulated patient**
A M Richards, A Moss.
Journal of Hand Surgery [Br], 22(3): 3: 411-2, 1997
- 12. Are soft tissue sarcomas of the thigh particularly prone to thrombo-embolic phenomena?**
A M Richards, E Tiernan, R P Cole and J E A Hobby
Plastic and Reconstructive Surgery, 100:4 1-5, 1997

Adrian Richards

Plastic surgical publications

13. Liquid nitrogen burn: A case report

P Roblin, **A M Richards**, R P Cole
Burns. 23: 638-640, 1997

14. Neural innervation and healing

A M Richards, J T Mitsou, D C Floyd, G Terenghi, D A McGrouther
The Lancet. 350: 339, 1997

15. Free tissue transfer in patients over 75 with head and neck malignancy

A M Richards, R P Cole
European Journal of Plastic Surgery. 21:6 303-7, 1998

16. Exposure to atomic radiation and the subsequent development of cutaneous malignancy

A M Richards and M Klaassen
Plastic and Reconstructive Surgery 102:5 1784-5, 1998

17. Burns caused by exploding camping gas cylinders

A M Richards, P Shakespeare, T Rossi
Letter British Medical Journal 27;318:604, 1999

18. The changes in the cellular infiltrate in denervated tissue during wound healing"

A M Richards, D C Floyd, G Terenghi. D A McGrouther
British Journal of Dermatology 140, 1093-9, 1999

19. The sigmoid incision for palmar dupuytren's disease

A M Richards, R A W McDowall
Plastic and reconstructive Surgery :103 1796, 1999

20. A novel method of securing the nail following nail bed repair

A M Richards, A Crick, R P Cole.
Plastic and Reconstructive Surgery 103(7):1983-5, 1999

21. Is there a familial predisposition to tight maxillary frenula?

B Luntz, **A M Richards**, R P Cole
Plastic and Reconstructive Surgery 105(1):475-6, 2000

22. Laurin-Sandrow Syndrome- a surgical challenge

S Pilkington, M Hearth, **A M Richards**, J A Hobby
British Journal of Plastic Surgery 53(1):68-79, 2000

Adrian Richards

General surgical publications

1. **Case report: Subcutaneous gall bladder**

A M Richards, J Crew, M J Knight
British Medical Journal 6831:304;928, 1992

2. **Case report: Multiple colonic faecoliths**

A M Richards, J Crew, J R Tuson, M. Darby, R J Leicester.
British Medical Journal 6850:305;432, 1992

3. **Laser treatment of bleeding radiation gastritis**

A M Richards, Z R Rayter, M J Knight
Gastroenterology Today 1992

4. **Colonic crunch: a new physical sign**

A M Richards, J R Tuson, J Crew, R J Leicester.
British Journal of Hospital Medicine. 50:4;194-5, 1993

5. **Radiological investigation following hepatoducho-jejunostomy for bile duct injury**

R Morgan, **A M Richards**, Z Rayter, M Knight, A Grundy.
Acta Radiologica 1993

6. **"Blastocystis Hominis, a new cause of colitis?"**

A M Richards, S Das, R J Leicester.
Abstract. Annals of Pathology 1993

7. **Dynamic external fixation for complex intra-articular phalangeal fractures**

D Johnson, E Tiernan, **A M Richards**, R P Cole
Journal of Hand Surgery (British and European Volume, 2004)
29B: 1:76-81

Adrian Richards

Commissioned articles

1. **Surgery on the Internet.**
Part 1: The origins of the internet
A M Richards
Ann R Coll Surg Eng 79(2):75-7, 1997
2. **Surgery on the Internet.**
Part 2: The world wide web
A M Richards
Ann R Coll Surg Eng. 79(3):109-10, 1997
3. **Surgery on the Internet.**
Part 3: Email, Newsgroups and other Internet facilities
A M Richards
Ann R Coll Surg Eng 79(4):202-3, 1997
4. **"Vital facts about viral illnesses"**
H M Savin, **A M Richards**
The Independent. Jan 4th 1996
5. **Web watch- What's available for doctors on the Internet?**
A M Richards
Hospital Medicine 61:(1):70, 2000
6. **Web watch- A selection of Portals**
A M Richards
Hospital Medicine 61(5):336, 2000
7. **Web watch- Medical Education online**
A M Richards
Hospital Medicine 61(9):677, 2000
8. **Web watch- A review of websites**
A M Richards
Hospital Medicine 62(1):58, 2001

Adrian Richards

Books

1. Key facts in Plastic Surgery

A M Richards

Foreword by Professor Ian Jackson

I wrote this book whilst working towards my Plastic Surgical fellowship in 1999. During revision for this exam I became aware that there was no short, succinct book covering the speciality of Plastic Surgery. In an effort to fill this gap I wrote, "Key notes in Plastic Surgery", a 90,000 word book covering the scope of Plastic Surgery.

The book is primarily aimed as a primer and revision aid for trainee plastic surgeons. It has proved very successful, selling over 1,500 copies to date.

Adrian Richards

Work in progress

1. Scapho-trapezo-trapezoid arthritis associated tenosynovitis of flexor carpi radialis

Richards AM, Berger A, Ireland D

2. A new arthroscopic portal for visualising the scapho-trapezo-trapezoid joint

Barre J, **Richards AM**, Tham S

3. Clinical experience with a new portal for evaluating the scapho-trapezo-trapezoid joint

Richards AM, Tham S

4. Triquetral-lunate coalition- an often-unrecognised cause of ulnar sided wrist pain?

Richards AM, Berger A

5. Functional reconstruction of the wrist following distal radius excision using a free proximal fibula flap

Richards AM, Tham S

Adrian Richards

National presentations

1. "An alternate method of treating pre-tibial myxoedema"
A M Richards
The Royal Society of Medicine. November 1993.
First prize
2. "Pre-tibial myxoedema, a therapeutic shave?"
A M Richards
The Frank Court prize meeting. March 1994
3. "Prevalence of hard palate notching in the normal population and its relevance to submucous cleft palate"
J Blair, **A M Richards**, J G Boorman.
British Association of Plastic Surgeons summer meeting 1994
4. "The use of dermofat grafts in secondary cleft lip surgery"
A M Richards, S Withey, N Waterhouse.
British Association of Plastic Surgeons winter meeting 1995
5. "The use of dermofat grafts in secondary cleft lip surgery"
A M Richards, S Withey, N Waterhouse.
British Association of Aesthetic Plastic Surgeons winter meeting 1995
6. "The changes in the cellular infiltrate in denervated tissue during wound healing"
A M Richards, D Floyd, G Terenghi, D A McGrouther
British Association of Plastic Surgeons winter meeting 1996
7. "Free tissue transfer in patients over 75 with head and neck malignancy"
A M Richards and R P Cole
BASO & BACR joint meeting November 1997
